## **ONE CARESS**

Well i'm down on my knees again and i pray to the only one who has the strength to bear the pain to forgive all the things that i've done

Oh girl, lead me into your darkness when this world is trying it's hardest to leave me unimpressed just one caress from you and i'm blessed

When you think you've tried every road every avenue take one more look at what you found old and in it you'll find something new

Oh girl, lead me into your darkness when this world is trying it's hardest to leave me unimpressed just one caress from you and i'm blessed
