

# **THE SCIENTIST**

Come up to meet you, tell you I'm sorry  
I don't know how lovely you are .  
I had to find you, tell you I need you ,  
tell you I set you apart.  
Tell me your secrets and ask me your questions  
Oh let's go back to the start .  
Running in circles, coming up tails,  
heads on a science apart

*Nobody said it was easy.  
It's such a shame for us to part  
Nobody said it was easy  
No one ever said it would be this hard  
Oh take me back to the start*

I was just guessing at numbers and figures,  
pulling your puzzles apart.  
Questions of science, science and progress.  
Do not speak as loud as my heart  
Tell me you love me. Come back and haunt me.  
Oh and I rush to the Star.  
Running in circles, chasing our tails,  
coming back as we are.

*Nobody said it was easy.  
Oh it's such a shame for us to part.  
Nobody said it was easy.  
No one ever said it would be so hard.  
I'm going back to the start.*
